ABOUT ME

I am a 3rd year BCA student with strong skills in Full Stack Web Development and Flutter-based Mobile App Development. I have successfully built and deployed a full-stack project, showcasing my ability to handle both frontend and backend technologies. Passionate about creating efficient, user-friendly applications, I continuously improve my coding and problem-solving skills. I am eager to apply my knowledge in real-world projects, contribute to innovative solutions, and grow as a professional developer.

EDUCATION

Undergraduate

2023-2026

Bachelor of Computer Applications (BCA) – Currently pursuing 3rd Year at Vidyavahini First Grade College

Pre-University Course

MAR-2023

studied at vidyanidhi PU College TUMKUR 572104

Secondary School Leaving Certificate

JULY-2021

SHREE BASAVESWARA PRIMARY SCHOOL (CBSE) TUMKURU

WORK EXPERIENCE

Intern – CRM Web Development

Drexel University

Completed internship project in CRM web development with my team

Contributed to designing and developing CRM features to improve user management and data handling

PROJECTS

- Women's Help SOS (Web) – Safety app that shares live location updates every second to the admin panel during emergencies.
- Academic Management System – Includes Student Panel (login with personal credentials to view marks, attendance, and fee status), Staff Panel, and Main Admin Panel for overall management.
- Krishi Mithra App – Farmer support app to identify plant diseases and provide market price updates.
- Programming Run Editor & Compiler – App for writing, running, and compiling code in multiple programming languages.
- Personal Freelancing Website – A personal website showcasing my services, with Admin Panel for updates and User Panel for access.
- Quick ID Pic Click (App) – Mobile app for instant photo capture and automatic ID-ready formatting.
- GitHub Explore (Web) – Web tool to search and explore GitHub users and repositories.
- Other Projects – Full-stack web apps and Flutter-based mobile applications.
